

Good2Talk is looking for volunteers!

Are you a post-secondary student passionate about supporting your peers?

Become a Good2Talk Digital Ambassador!

Role Description

Good2Talk Digital Ambassadors support Good2Talk through virtual promotion and outreach within online spaces.

Digital Ambassadors will aim to increase awareness of Good2Talk in unique and engaging ways, encouraging peers to utilize different aspects of Good2Talk's service.

Duties and Responsibilities

- Promote Good2Talk through digital tools and virtual outreach; for example: social media creation, email outreach, creating & attending virtual events, and more
- Act as a resource to students on behalf of Good2Talk by providing general information, making referrals to the website and answering questions about the service
- Have an opportunity to engage in community building activities on the Peer-to-Peer Community platform, create new threads and respond to existing threads
- Participate through the attendance of meetings and communication with Good2Talk staff
- Document promotional initiatives to report to Good2Talk staff

Skills / Requirements

- Current post-secondary student in Ontario
- Interpersonal & written communication skills
- Responsible, well-organized & good time management skills
- Passionate about mental health
- 6-12 month commitment (encouraged, not required)

What's in it for you?

- A deepened understanding of mental health resources in the post-secondary space
- The opportunity to support your peers & and make an impact at your school
- Reference letter & resume building
- Additional free training opportunities
