## Good2Talk's Peer-to-Peer Community Toolkit

Good2Talk's Peer-to-Peer Community is an online space for young people, co-created by young people. It's a collection of moderated support forums on various topics, where youth can anonymously share experiences, respond to questions and / or engage with other youth across Canada.

Share information about Good2Talk's [Peer-to-Peer Community](#) with your network using this Good2Talk toolkit. This toolkit includes helpful post ideas and assets about Good2Talk's free, confidential online space.

Don't forget to tag [@good2talkon](#) on Instagram in your posts.

Connect with youth across Canada about whatever's on your mind—post your own messages, or respond to others on topics such as anxiety, relationships, racism, depression and more.
